

Welcome!

[As SHARP president Shef Rogers states in his welcome letter](#), SHARP News has historically been a stimulating resource for book history reviews, updates, and bibliographies. We want to ensure this website continues and expands this tradition by becoming a thriving space for community and scholarly research. Toward that goal, we're thrilled to announce that we have just hired [a new team of editors](#) to revitalize and bring forth new voices and ideas to our community. Please subscribe (see the "get notified" form on the sidebar) to receive our updates!

Watch this space and feel free to [get in touch](#) if you'd like to be involved in our next steps!
